

OUTLINE

ANESTHESIA AGENTS & ADJUNCTS- UNDERSTANDING THE PLAN!

Ever wondered why one anesthetic is chosen over another? What about that COPD patient or that patient with liver problems? Answers to these and other challenging anesthesia situations will be discussed

- Anesthetics: General, regional, moderate sedation, benzodiazepines, opioids
- Waste gas concerns
- Specific patient challenges

COMPLICATIONS

Have you witnessed or taken care of MH? Do you think it no longer exists or isn't a medical emergency? Think again!

- Malignant Hyperthermia (MH) pathophysiology
- Signs and symptoms – Immediate recognition!

Do you have lipid infusions immediately available when performing local anesthesia? Why?

- LAST (Local Anesthetic Systemic Toxicity) pathophysiology
- Signs and symptoms – Know the earliest!
- Learn "why" lipids and hear relevant real life case scenarios!

Other pertinent post-op complications

- Hemodynamic, cardiac, pulmonary, respiratory

OBJECTIVES

1. Identify the "whys" and "hows" of specialty certification.
2. Differentiate the pharmacology and physiology of frequently-used induction, inhalation, neuromuscular blocking and reversal agents used in the perianesthesia setting.
3. Discuss appropriate management strategies for acute pain in the post-operative setting.
4. Determine interventions for post-op complications, Local Anesthetic Systemic Toxicity (LAST), and Malignant Hyperthermia (MH)
5. Analyze malpractice concerns, ASPAN standards, and effective documentation as driving forces in appropriate patient care.
6. Demonstrate the effectiveness of a team-centered approach on perianesthesia practice and values.

NURSING MALPRACTICE

You are being named in a medical malpractice case! What now?

- How do you prevent this from happening? What you should and shouldn't do!
- Legalities, negligence, and torts
- Documentation – Hear from an expert witness/legal reviewer how your documentation will be viewed and how to improve it!
- ASPAN standards

PAIN ADMINISTRATION

What's new on the horizon for pain control?

- What is EBP research showing?
- New medications
- Old medications still being used
- Thinking outside the box
- Economic strategies

TEAMWORK

Why do some departments sail through the changes in health care without problems?

- Why do some nurses tell you they LOVE to go to work and others are struggling daily?
- Learn through hands-on applications and role playing from a leader in the field of "building teams"
- Put your hospital at the TOP of the HCAHPS!
- CASE STUDIES AND SCENARIOS!

Seminar on CD or DVD Package:

You can purchase a self-study package on the subject. You will receive a set of CDs or DVDs that include a digital copy of the seminar manual and post-test/evaluation. You and your colleagues can receive CE hours for a nominal fee. To determine if homestudy credits are available for your profession go to www.pesihealthcare.com or call 800-844-8260. Check with your licensing board to verify acceptance of self-study credits for license renewal. Order today by using the order form on this brochure or by calling 800-844-8260.

Live Seminar Schedule

- 7:30 Registration/Morning Coffee & Tea
- 8:00 Program begins
- 11:50-1:00 Lunch (on your own)
- 4:00 Program ends
- 10 – 15 minute mid-morning and mid-afternoon breaks

For locations and maps, go to www.pesihealthcare.com, find your event, and click on the seminar title.

If you care for patients in the perianesthesia, operative, interventional or diagnostic setting who receive sedation, anesthesia and analgesia, this seminar is for YOU! Attend this seminar and learn from someone who has “walked” in YOUR shoes! Dolly has over 46 years of nursing experience and 40 years of experience in the specialty of perianesthesia nursing. She understands your challenges and will give you standard specific solutions to those challenges!

PERIANESTHESIA CHALLENGES

Delores “Dolly” Ireland, MSN, RN, CAPA, CPN, will tell you the story of the 17-year-old patient who developed severe malignant hyperthermia . . . before Dantrolene and he walked out of the hospital without side effects!! Hear his amazing journey and share the emotions of the health care team. Learn the latest protocols to stop local anesthetic toxicity in its tracks! Gain knowledge from an expert legal witness on how to prevent malpractice situations. Create positive teamwork and make it FUN to go to work!

Learn skills from a certification coach on resources, core knowledge, and essential skills necessary for successful CPAN/CAPA certification. Have your patient be the one who tells others about their “certified nurse”! Whether you work in the outpatient or inpatient setting, this seminar will increase your confidence in caring for your patients, increase patient satisfaction and create optimal patient outcomes.

SPEAKER

Delores “Dolly” Ireland, MSN, RN, CAPA, CPN, has over 46 years of nursing experience with 40 of those years dedicated to the specialty of perianesthesia nursing. She has provided clinical care at the bedside for pre- and post-op cases in all disciplines and has provided leadership and management within the perianesthesia specialty for over 15 years.

Ms. Ireland serves as adjunct faculty in the Nursing program at Baker College and as an expert witness and legal reviewer for perianesthesia malpractice cases. Dolly is a past president of ASPAN, the American Society of PeriAnesthesia Nurses and serves as a certification coach for ABPANC, the American Board of Perianesthesia Nursing Certification. She has authored leading articles in perianesthesia journals, book chapters and association newsletters.

Dolly is a sought-after speaker, providing humor and case-based stories to emphasize content topics. She has shared her expertise on the perianesthesia specialty both nationally and internationally.

Speaker Disclosures:

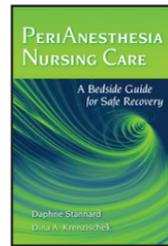

Financial: Delores (Dolly) Ireland is Lead Faculty/Area Chair, College of Nursing for University of Phoenix. She receives a speaking honorarium from PESI, Inc.

Non-financial: Delores (Dolly) Ireland is a member of the American Society of Perianesthesia Nurses (ASPAN).

Have A Seminar Idea? A Manuscript To Publish?

The nation's top speakers and authors contact PESI HealthCare first. If you are interested in becoming a speaker or have a new topic idea, please contact Missy Cork at mcork@pesi.com or call 715-855-6366.

PeriAnesthesia Nursing Care: A Bedside Guide for Safe Recovery

By *Daphne Stannard, RN, PhD, CCRN, CCNS, FCCM & Dina A. Krenzschek, PhD, RN, MAS, CPAN*

A key reference for clinicians practicing in preoperative areas, phase I and phase II PACU nursing areas, and nurses working in critical care, OB, and other specialty recovery units. Ideal for perianesthesia nursing orientation and perioperative cross-training programs, this text is beneficial for all those caring for pre-and-post-anesthesia patients. Additionally, it is a valuable tool for nursing students specializing in critical care and perianesthesia nurses preparing to sit for the Certified Post Anesthesia Nursing (CPAN) and Certified Ambulatory Perianesthesia Nurse (CAPA) certification examinations.

Certification Review for Perianesthesia Nursing, third ed.

By *MULTIPLE AUTHORS*

The only question-based CAPA and CPAN exam review available, *Certification Review for PeriAnesthesia Nursing, 3rd Edition* is written by the American Society of PeriAnesthesia Nurses (ASPAN) -- the leading organization for perianesthesia nursing education, practice, standards and research. A total of 600 multiple-choice review questions includes case study and clinical application questions, answers, comprehensive rationales, and references to current research. Questions are updated to reflect the latest standards of practice and ABPANC's examination blueprints.

Target Audience

Nurses • Nurse Practitioners • Clinical Nurse Specialists • Surgical Technicians
Surgical First Assistants • Nursing Home Administrators

Live Seminar Continuing Education Credit Information

Credits listed below are for full attendance at the live event only. Certificates of Completion are distributed at the conclusion of the live seminar for those who register prior to the event date and attend the full day. A letter of attendance will be issued to participants who register at the event, arrive late, or leave early. For those who registered day of (walk-ins), and are in full attendance, a certificate of completion for full CE credit will be sent within 30 days following the event. For those in partial attendance (arrived late or left early), an adjusted certificate of completion reflecting partial credit will be issued within 30 days (if your board allows). Please see “live seminar schedule” for full attendance start and end times. NOTE: Boards do not allow credit for breaks or lunch.

If your profession is not listed, please contact your licensing board to determine your continuing education requirements and check for reciprocal approval. For other credit inquiries not specified below, or questions on home study credit availability, please contact cepesi@pesi.com or 800-844-8260 before the event.

Materials that are included in this course may include interventions and modalities that are beyond the authorized practice of mental health professionals. As a licensed professional, you are responsible for reviewing the scope of practice, including activities that are defined in law as beyond the boundaries of practice in accordance with and in compliance with your professions standards.

PESI, Inc. offers continuing education programs and products under the brand names PESI, PESI Healthcare, PESI Rehab and Psychotherapy Networker.

NURSES/NURSE PRACTITIONER/CLINICAL NURSE SPECIALISTS: PESI, Inc. is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Nurses in full attendance will earn 6.3 contact hours. PARTIAL CONTACT HOURS WILL BE AWARDED FOR PARTIAL ATTENDANCE.

NURSE PRACTITIONERS: This program offers 60 instructional minutes of pharmacology content which is designed to qualify for 1.0 contact hours toward your pharmacology requirement to receive credit. It is your responsibility to submit your certificate of successful completion and a copy of the seminar brochure to your licensing board.

NURSING HOME ADMINISTRATORS: This educational offering has been reviewed by the National Continuing Education Review Service (NCERS) of the National Association of Long Term Care Administrator Boards (NAB) and approved for 6.25 clock hours and 6.25 participant hours.

OTHER PROFESSIONS: This activity qualifies for 380 minutes of instructional content as required by many national, state and local licensing boards and professional organizations. Save your course outline and certificate of completion, and contact your own board or organization for specific requirements.

Cancellation Policy: If you contact us before the event date, you can exchange for a DVD or CD/digital manual package on the subject (self-study continuing education credit may be available), a certificate to attend another seminar, or receive a tuition refund less a \$30 cancel fee. Substitutions are permitted at any time.

Earn CE where you work! Bring this training & many others to your facility!
