

## OUTLINE

### Antimicrobials

Drug classes  
Pharmacokinetic Properties  
Concentration-dependent killing  
Time-dependent killing  
Post-antibiotic effect  
Common interactions with other drugs

### Antibacterial Allergies – Sulfa and Penicillin

Define true allergy  
Sulfonamide antibiotics vs non-antibiotics  
Penicillin – Cephalosporin cross-sensitivity

### Bacteria

Differentiation  
Normal flora  
Common pathogens

### Antibacterial Resistance–Contributing Factors

Trends  
Mechanisms of resistance  
Contributing factors

### Methicillin-Resistant Staphylococcus Aureus - Community versus Hospital Acquired

Differentiating between CA- and HA-MRSA  
Current clinical practice guidelines  
Pharmacologic management

### Enterobacteriaceae Resistance

Extended Spectrum Beta-Lactamase (ESBL)  
What are ESBLs  
Pharmacologic management  
Carbapenem-Resistant Enterobacteriaceae (CRE)  
What are CREs  
Pharmacologic management

### Urinary Tract Infections

Bacterial Etiology, Signs and Symptoms and Diagnosis  
Cystitis and pyelonephritis  
Complicated and uncomplicated  
UTIs in pregnancy  
Treatment (IDSA Guideline Treatment Algorithm)  
Acute  
Recurrent and relapse

### Clostridium Difficile Infection

Risk factors  
Pharmacology management  
Fecal Transplantation  
Probiotics literature review

### Community–Acquired Pneumonia

Bacterial etiology  
Diagnosis  
Typical vs. atypical  
Treatment (IDSA/ATS Guidelines) and monitoring  
Outpatient vs. inpatient  
Empiric treatment

### Healthcare–Associated Pneumonia

Bacterial etiology  
Treatment (IDSA/ATS Guidelines)

### Upper Respiratory Tract Infections

Sinusitis and pharyngitis  
Etiology (Viral vs. Bacterial)  
Treatment

### Skin and Soft Tissue Infections

Cellulitis  
Bacterial etiology  
Strep. vs. Staph. vs. MRSA  
Signs & symptoms  
Treatment (IDSA Guidelines)

### Influenza

Clinical features  
Diagnosis  
Pharmacology management

### Immunizations (Adult)

Types of Vaccines  
General recommendations  
Contraindications & precautions

Questions?

# PHARMACOLOGY OF INFECTIOUS DISEASES & IMMUNIZATIONS

Attend this seminar and learn proper prescribing, patient education and monitoring procedures for a variety of drug regimens used to treat common acute and chronic infectious diseases. Choosing an antibacterial agent can be challenging, given the plethora of drugs available on the market and the emerging trend in bacterial resistance.

You will learn the pharmacology of different classes of antimicrobials used to treat infectious disease states encountered in clinical practice. Discover the spectrums of activity, pharmacokinetic characteristics and parameters for monitoring therapeutic outcomes. Emphasis is placed on the new antimicrobials and advances in evidence-based treatment guidelines. You will leave this seminar better prepared to design appropriate and cost-effective drug regimens for improved therapeutic outcomes.

Leave this seminar better prepared to design appropriate and cost-effective drug regimens for improved therapeutic outcomes.

## SPEAKER

**Eric Wombwell, PharmD, BCIDP**, is a board certified infectious diseases pharmacist and Clinical Associate Professor for the Department of Pharmacy Practice and Administration at the University of Missouri - Kansas City, School of Pharmacy. Wombwell is responsible for developing clinical and educational initiatives designed to optimize student learning. He is active in lecturing, research and hospital pharmacy practice.

Dr. Wombwell completed his PharmD degree at the University of Missouri Kansas City, followed by an ASHP accredited pharmacy practice residency at the Kansas City VA Medical Center. Upon residency completion, Wombwell accepted a full-time non-tenured clinical faculty position at the University of Missouri - Kansas City, School of Pharmacy. His responsibilities include teaching Doctor of Pharmacy students in a variety of courses with special emphasis in the area of infectious diseases. As part of this position, Wombwell serves as a Clinical Pharmacy Specialist, working as part of the multidisciplinary team, providing care to acutely ill patients at Centerpoint Medical Center in Independence, Missouri. In addition, Wombwell functions in an adjunct faculty capacity with the University of Missouri - Kansas City, School of Dentistry, where he is responsible for teaching infectious diseases curricular content to dental students in the Pharmacology and Therapeutics course series.

Dr. Wombwell has more than 20 peer-reviewed publications on pharmacy and medication-related topics, and has delivered more than 50 invited presentations locally and nationally for continuing education to various health-professional audiences. He has been named Teacher-of-the-year in various capacities 10-times, including "Missouri Pharmacist Association - UMKC Faculty Member of the Year" in 2016, and received the "UMKC Provost's Award for Excellence in Teaching" in 2014.

### Speaker Disclosures:

Financial: Eric Wombwell is a Clinical Assistant Professor, Department of Pharmacy Practice at the University of Missouri - Kansas City. He receives a speaking honorarium from PESI, Inc.

Non-financial: Eric Wombwell has no relevant non-financial relationships to disclose.

## OBJECTIVES

1. Analyze the major classes of antibiotics and their pharmacokinetic characteristics.
2. Apply current evidenced-based approaches to select appropriate treatment regimens for common infections encountered in clinical practice.
3. Prescribe antimicrobials based on empiric dosing recommendations.
4. Plan goals of therapy and parameters for monitoring therapeutic response to antimicrobials.
5. Recommend specific antimicrobial therapeutic drug monitoring to maximize efficacy and minimize toxicities (e.g., vancomycin and aminoglycosides).
6. Develop preventative strategies to limit antimicrobial resistance.
7. Design patient and caregiver education on the proper use of antimicrobials.

## SAVE BY INCLUDING THESE PRODUCTS WITH SEMINAR REGISTRATION!

### Laboratory Tests Made Easy: A Plain English Approach, 2nd Edition

By Mikel A. Rothenberg, MD & Sean G. Smith, BSN, RN, NREMT-P, FP-C, C-NPT, CCRN-CMC, CFRN, CEN, CPEN

This best-selling reference book provides both the "need to know" information, as well as the more in-depth "nice to know" details relevant to your patient's lab results. In this Second Edition you will find plain English summaries, pertinent case studies, and easy to read diagrams and tables. This fully revised and updated book puts the information right at the fingertips of any medical professional at any experience level. (2014)

### Geriatric Pharmacology: The Principles of Practice & Clinical Recommendations, 2nd Edition

By Steven Atkinson, PA-C, MS

This book is designed to explain the aging process and help the healthcare professional reduce the chance of a drug-disease interaction or adverse drug event. Special attention given to high-risk medications, minimizing polypharmacy and following essential guidelines in geriatric medicine.

### Live Webcast Details and Live Webcast Continuing Education Credit Information

**Join us on May 23, 2019, for this live, interactive webcast!** Invite your entire office and, like a live seminar, "attend" the webcast at its scheduled time. It's easy and convenient! Webcasts provide everything you need for a premier educational experience including real-time video and audio of the speaker. See and hear the speaker, ask questions via email and have them answered during the webcast, and watch the slides all on your computer screen. Seminar materials are available for download. One CE Certificate is included. Certificates of Completion can be printed after completing and passing the on-line post-test evaluation. Additional certificates are available for \$99.99 USD per participant. Please see "live seminar schedule" for full attendance start and end times. NOTE: Boards do not allow credit for breaks or lunch. For CE information for the live webcast, please visit: [www.pesihealthcare.com/webcast/69792](http://www.pesihealthcare.com/webcast/69792).

PESI Inc. is proud to offer this seminar (at these locations only) free of charge (on live seminar tuition) for veterans and active duty military personnel. **Advanced online registration required.**

### Live Seminar & Webcast Schedule (Times listed in Eastern)

- 7:30 Registration/Morning Coffee & Tea
- 8:00 Program begins
- 11:50-1:00 Lunch (on your own)
- 4:00 Program ends

There will be two 15-min breaks (mid-morning & mid-afternoon). Actual lunch and break start times are at the discretion of the speaker. A more detailed schedule is available upon request. For locations and maps, go to [www.pesihealthcare.com](http://www.pesihealthcare.com), find your event, and click on the seminar title

Target Audience: Nurses • Advanced Practice Nurses • Clinical Nurse Specialists  
Pharmacists • Nurse Practitioners • Physician Assistants

### Live Seminar Continuing Education Credit Information

**Credits listed below are for full attendance at the live event only.** After attendance has been verified, pre-registered attendees will receive an email from PESI Customer Service with the subject line, "Evaluation and Certificate" within one week. This email will contain a link to complete the seminar evaluation and allow attendees to print, email or download a certificate of completion if in full attendance. For those in partial attendance (arrived late or left early), a letter of attendance is available through that link and an adjusted certificate of completion reflecting partial credit will be issued within 30 days (if your board allows). Please see "LIVE SEMINAR SCHEDULE" on this brochure for full attendance start and end times. NOTE: Boards do not allow credit for breaks or lunch.

If your profession is not listed, please contact your licensing board to determine your continuing education requirements and check for reciprocal approval. For other credit inquiries not specified below, or questions on home study credit availability, please contact [cepesi@pesi.com](mailto:cepesi@pesi.com) or 800-844-8260 before the event.

Materials that are included in this course may include interventions and modalities that are beyond the authorized practice of mental health professionals. As a licensed professional, you are responsible for reviewing the scope of practice, including activities that are defined in law as beyond the boundaries of practice in accordance with and in compliance with your profession's standards.

PESI, Inc. offers continuing education programs and products under the brand names PESI, PESI Healthcare, PESI Rehab and Psychotherapy Networker.

**NURSES/NURSE PRACTITIONER/CLINICAL NURSE SPECIALISTS:** PESI, Inc. is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Nurses in full attendance will earn 6.3 contact hours. PARTIAL CONTACT HOURS WILL BE AWARDED FOR PARTIAL ATTENDANCE.

**NURSE PRACTITIONERS:** This program offers 380 instructional minutes of pharmacology content which is designed to qualify for 6.3 contact hours toward your pharmacology requirement to receive credit. It is your responsibility to submit your certificate of successful completion and a copy of the seminar brochure to your licensing board.

**PHARMACISTS:** PESI, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Successful completion of this Knowledge-based activity qualifies for 6.3 contact hours. ACPE Universal Program Number: 0289-0000-17-040-L01-P. Full attendance is required. No partial contact hours will be awarded for partial attendance. You are required to complete a program evaluation/post-test and bring your e-Profile ID to the seminar to receive CPE credit. Don't have your e-Profile ID yet? Visit the National Association of Boards of Pharmacy (NABP) website and complete your e-profile at [www.nabp.net](http://www.nabp.net) in order to obtain your NABP e-Profile ID.

**PHYSICIAN ASSISTANTS:** This program has been reviewed and is approved for a maximum of 6.25 hours of clinical Category I CME credit by the American Academy of Physician Assistant Review Panel. Physician assistants should claim only those hours actually spent participating in the CME activity. This program was planned in accordance with AAPA's CME Standards for Live Programs and for Commercial Support of Live Programs.

**OTHER PROFESSIONS:** This activity qualifies for 380 minutes of instructional content as required by many national, state and local licensing boards and professional organizations. Save your course outline and certificate of completion, and contact your own board or organization for specific requirements.
