Opioid Use Disorder

A Holistic Guide to Assessment, Treatment, and Recovery

By Charles Atkins, MD

Overdoses have lowered the life expectancy in the United States for two years in a row. The leading cause -- opioids. This epidemic has spread through every sector of our country, destroying lives as parents, friends, families, and those entrapped by opioids struggle to find help.

Live Seminar Continuing Education Credit Information

Credits listed below are for full attendance at the live event only. After attendance has been verified, pre-registered attendees will receive an email from PESI Customer Service with the subject line, "Evaluation and Certificate" within one week. This email will contain a link to complete the seminar evaluation and allow attendees to print, email or download a certificate of completion if in full attendance. For those in partial attendance (arrived late or left early), a letter of attendance is available through that link and an adjusted certificate of completion reflecting partial credit will be issued within 30 days (if your board allows). Please see "LIVE SEMINAR SCHEDULE" on this brochure for full attendance start and end times. NOTE: Boards do not allow credit for breaks or lunch.

If your profession is not listed, please contact your licensing board to determine your continuing education requirements and check for reciprocal approval. For other credit inquiries not specified below, or questions on home study credit availability, please contact cepsi@pesi.com or 800-844-8260 before the event.
